Mr. White:

I see that you've consented to accepting my calls; however, as with all price gouging in VA.DOC it boils down to making money - you must set up a pre-paid account with GTL and pay for our calls. To set up a pre-paid account call GTL customer service dept. 1-877-372-4330.

If I don't hear from ~~within~~ you by Sept 15<sup>th</sup> then I take it that you're not interested.

Sincerely  

P.S. - Visitation days are on Wednesdays you'll need a driver's license **I** need a face-to-face with you

P.P.S - I'll write David Barston of The New York Times tonight and let him know that I am possibly willing to do an interview, just in case.
